

SUPERYACHT

EQUIPMENT

MASTS

As experts in Composite work, we have calculated and built several Mast for different Superyachts.

POOL ARRANGEMENTS AND SWIM PLATFORMS

With our experience of building custom pool arrangements, we are able to create perfect solutions for your extraordinary concepts.

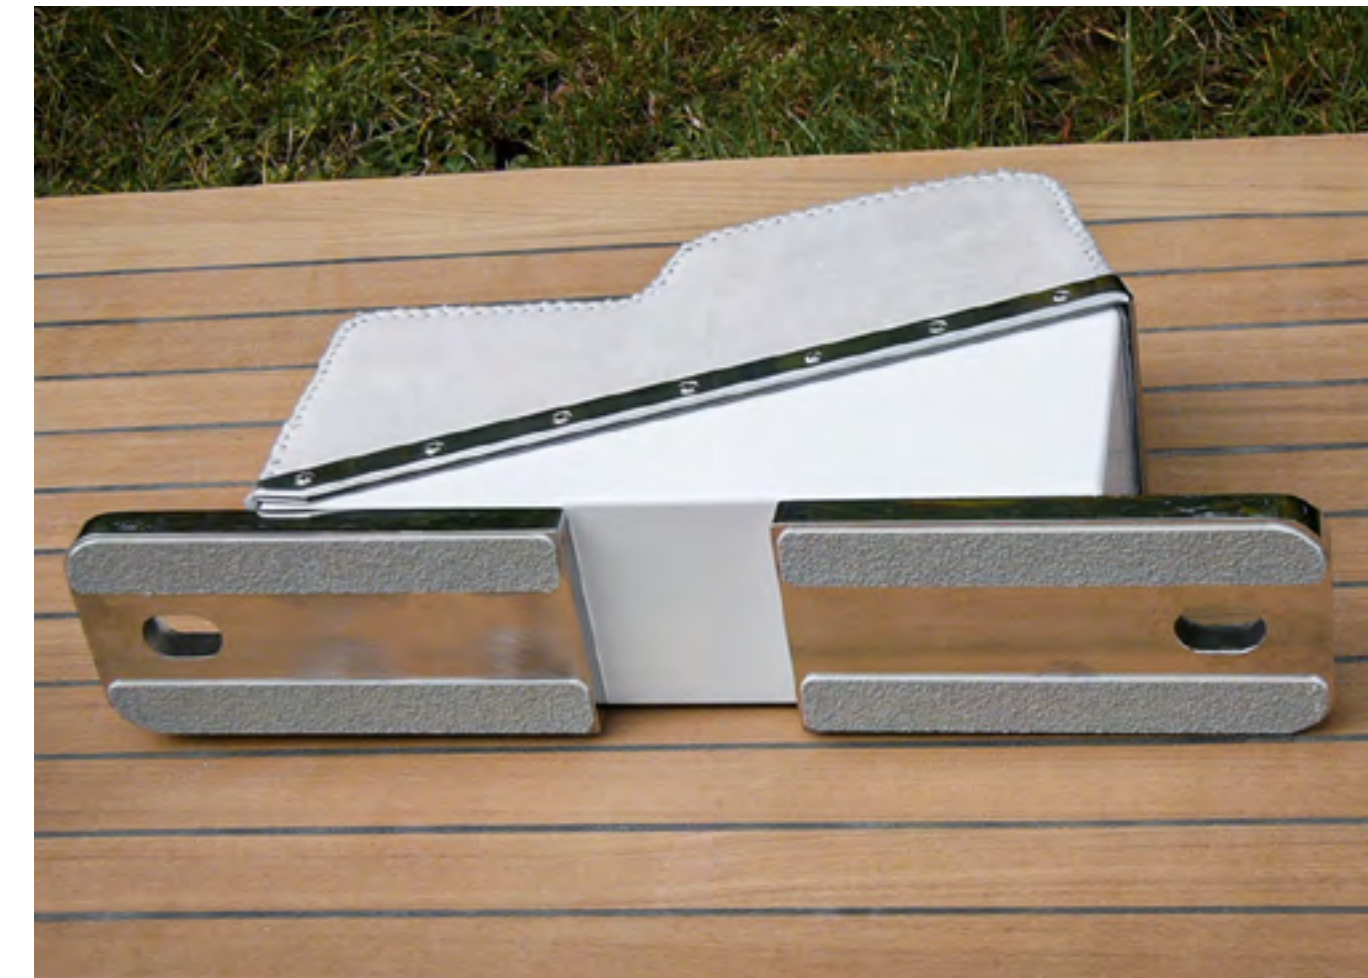

GANGWAYS AND BOARDING STEPS

To step into the Superyacht, Tender, or bathing platform in style, we develop the most clever solutions.

FENDERS, INFLATABLE FENDERS, AND FENDER HOOKS

Our luxurious Fenders are made in Carbon fiber, designed to maneuver easily.

TENDER CHOCKS AND SPREADER BARS

To fit some tenders into superyacht garages, spreader bars and lifting equipment might be required. We develop the best solution to meet your requirements.

TENDER

EQUIPMENT

BOARDING POLE

Our designed Lollipops are present in every tender. From our most luxurious Signature limousines to our trustful solas tenders.

BOARDING STEPS AND BATHING LADDERS

If you only need a step to improve your way in and out of your tender, talk to us. We can design and build a solution that best suits you and your tender.

CUSTOM CARBON HANDRAILS AND POLES

Perfectly customized solutions for various carbon components such as handrails and poles.
